

Kody Brant Cranney

December 25, 1982 – April 27, 2005

***Life is not measured by the breaths that you take.
But by the moments that take your breath away.***

Kody was born in Burley, ID, on December 25, 1982. He graduated from Woodinville High School in Woodinville, WA in 2001 and was in his fourth year of attending the University of Colorado in Boulder, CO. Kody was a member of the Sigma Pi Fraternity and enjoyed being with his friends, hiking, camping, snowboarding, movies, music, football, lacrosse, and karate.

Kody was the son of Mark and KC Cranney and brother of Pace and Trey Cranney of Pleasanton, CA. He was a hard worker, a good student, and a great example to his two younger brothers. He loved his fraternity brothers and his time with them. He was a great friend to many and had a big heart and loved to laugh with his friends.

Sigma Pi Brother Zack Klapman (Colorado, '05) wrote of Kody:

Kody was by far one of my best friends in the house, and he's the first person I went to see when I went to the house. I will miss him for his smile, his jokes, the stories he would repeat monthly without realizing he had told them before, his suspenders, his olive tweed pants, his pipe rounding out the 50 yr old look he had, his bear hugs, his angry yell when he lost at Halo, his sarcasm. I will miss talking to him till 4 am in the morning when he had class the next day. Talking about girls, where the house was going, new brothers, current brothers, religion, politics...anything.

I hope we aspire to be as open-hearted and friendly as Kody was. He never judged anyone before he talked to them; he'd always give them a chance. I hope his younger brothers can follow him in his warmth and compassion. I am honored that I was able to know him for four years. And will never forget him. I love you and miss you Kody, thanks for making my junior year the best one. - You can sleep in your car, buy you can't race a house.

Sigma Pi Brother Jack Jensen (Colorado, '08) wrote:

I will always remember the countless stories he would tell us, followed up by his unforgettable, contagious laugh. He never put himself before anyone, and was constantly dedicated to enriching the lives of the people that surrounded him. Kody was a brother I could always turn to with questions about anything, and I want to thank him for that. Kody, we are going to miss you more than you know.
